- Stock up your fridge with apples, green veggies, and so forth, so that you'll have lots of great option during study break.
- Try going for a walk or a quick jog as a change of pace every morning
- Take naps to give yourself some mental and physical rest.
- Stay well hydrated. Chose your beverage well, though. Caffeine and sugar should be kept to a minimum.
- Make breakfast, your new study buddy.
- Stay away from Big & oily meals.
- Eat at regular intervals.
- Follow Covid Protocols (Wear mask properly, Maintain social distancing, Wash your hands frequently, When sick stay home stay healthy)

**TIPS TO MINIMIZE STRESS AND MAXIMIZE LEARNING DURING EXAMS**

- |  |                                       |
|--|---------------------------------------|
| 1. Meditate                              | 9. Study to learn, not for high marks |
| 2. Get your body moving                  | 10. Avoid Distractions                |
| 3. Practice healthy eating               | 11. Focus on one thing at a time      |
| 4. Stay hydrated                         | 12. Create a study plan               |
| 5. Get out in nature and enjoy fresh air | 13. Stay positive and confident       |
| 6. Take more consistent breaks           | 14. Listen to relaxing music          |
| 7. Practice good sleep hygiene           | 15. Remember to Laugh and Lighten Up  |
| 8. Avoid cramming                        |                                       |
