

## HOLIDAY ASSIGNMENT 2023-24 CLASS-VIII

Summer, summer,  
I'm so glad you're here!  
Summer, summer,  
Let's give a cheer!  
Summer, summer,  
I'll meet you at the park  
Summer, summer,  
Let's stay up till dark!

Dear Parent,

We wish you and your child a very happy summer holidays. It's time to enjoy and create a bond with family, friends and relatives. To utilize this time in the most constructive way we have prepared Holiday Homework for the students on the principle of "learning by doing" for his/her holistic development.

Kindly ensure that the holiday homework is completed by the students under the guidance of the parents.

SCIENCE	<ul style="list-style-type: none"> <li>• <b>Brochure Making:</b> After decades of population growth and economic development, India is now the third largest emitter of greenhouse gases in the world. Not only is it now having a large impact on the climate, India is among the countries most vulnerable to climate change due to its geography and dependence on agriculture. It has been estimated that if emissions are not significantly reduced India could suffer economic losses of USD 35 trillion. Indeed, much of India experienced a heat wave in April this year and in 2021 alone it experienced a number of extreme weather events: cyclones, a glacier collapse, heat waves and floods. Thus, India makes a thought-provoking case study for policymakers and risk professionals given the difficult trade-offs that need to be made between the competing claims of climate mitigation, adaptation and economics. Using the link: <a href="#">Pioneers Of Climate Action: Meet 17 Young Indian Activist Selected For UN India's 'We The Change Campaign' (indiatimes.com)</a>, analyze the problems of climate change and compile your findings in the form of Brochure through paper folding technique on any 4 such personalities which are working towards Climate change from India and their initiatives.</li> </ul>
